Nice day for a wedding in Glasgow

FROM dresses and cakes to jewellery, photographers, flowers, venues and more, the Scottish Wedding Show at the SEC in Glasgow is the place to be this weekend. Over 200 of the UK's leading suppliers are at the event which finishes today, offering ideas and inspiration.

Having fun on a white bouncy castle from CT Boujee Events are models Katrina Fisher, left, with her daughter Debbie Fisher. Katrina is wearing a mother of the bride/groom couture dress from Lady G in East Kilbride while Debbie's wedding gown is by Ellis from Brides of Scotland in East Kilbride.

Above, Natalie MacDonald wears a mother of the bride/groom outfit from Lady G while sitting in a convertible VW Beetle from Ashveil Weddings in Dundee.
