

25 OCTOBER 2020
VIRTUAL EDITION

The Scottish Wedding Show

SUNDAY 25 OCTOBER | 10AM-5PM

Congratulations on your engagement, and welcome to The Scottish Wedding Show – Virtual Edition!
We're so excited to be running our first virtual event, and we've got a great day in store. We know this is a new way to attend a show, so this is just a quick guide to help you find your way around the event and make sure you get the most out of it!

BEFORE YOU JOIN THE EVENT

Take a second to check what browser you're using. If you're joining us on a desktop or laptop, the latest versions of Chrome or Firefox guarantee the best experience, and if you're on mobile, we recommend Safari on iOS and Google Chrome on Android.

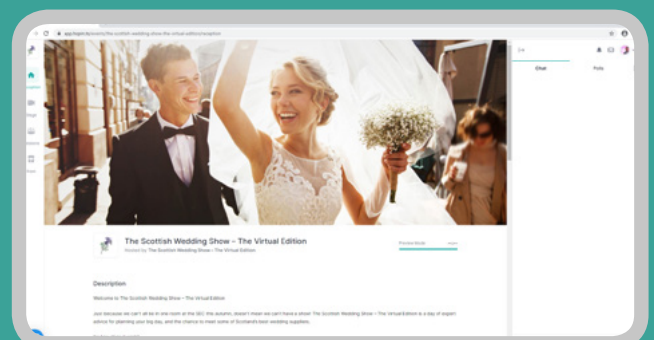

ONCE YOU'VE LOGGED IN

RECEPTION

The Reception area is where you'll enter the show, and here you can see what's happening now, as well as the schedule for the day.

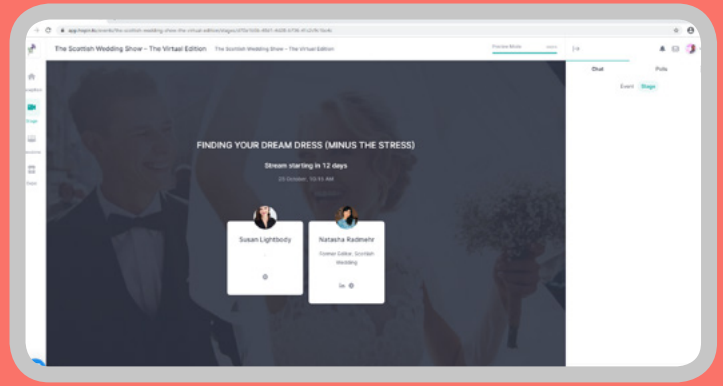

On the left, you will always find buttons to bring you back to Reception, or take you to any of the three main elements of the event – the Stage, the Sessions, and the Expo.

On the right, are the interactive features, where you can chat to other visitors and exhibitors, and take part in polls – you can do this wherever you are in the show.

STAGE

On the Stage, we've got a timetable of Q&As running all day for you to learn from wedding industry experts. These will take the form of a series of webinars, each lasting 15-20 minutes and covering topics including how to budget and save for a wedding, how to COVID-proof your wedding, and tips to help you shop for the perfect dress and transform your wedding with stunning décor.

SESSIONS

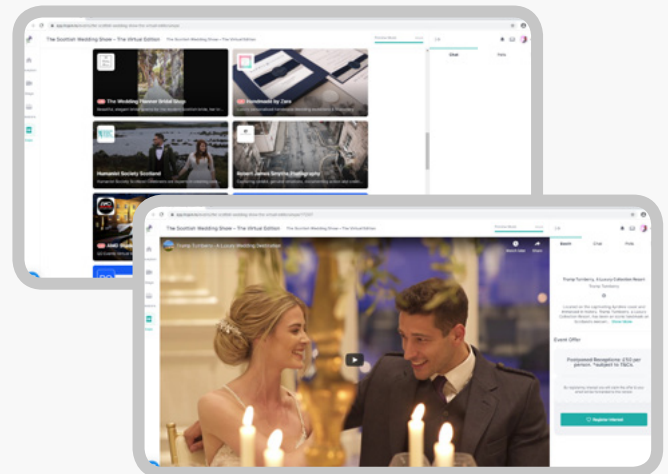

In the Sessions, some of our exhibitors will be running live mini webinars covering their own specialist topics, and showcasing some of their products and services.

You can also post questions in the Chat on the right hand side of the screen, and the host of the session can answer them live.

EXPO

The Expo is made up of nearly 50 virtual booths – simply click on an exhibitor to go onto their booth, and once you're there you can see their products and videos, as well as chat to them live via either video chat or our messenger function.

Just like a physical event, lots of our exhibitors will also be running special offers on their booth – simply click on the button to request the offer! Please note that when you click the button, this will send the exhibitor your email address so they can send you the offer details.

And that's it! It's got loads of the features you'd find at a physical event, plus our incredible Stage line-up, but you can access it all from the comfort of your living room.

Got your tickets? If not, you can buy them for just £3 per screen – so if you and your partner join us using the same device, it costs just £3 for both of you!
